Liberty HS Reunion 55 is only a few months away on November 18 and 19.
Details are enclosed from your Reunion Committee.

As you know, in March we launched a new website solely for our class. It is accessible at www.lhs961.net or http:lhs1961.net. Dozens of classmates have signed on, but we'd like to see that number grow even more.

One of our classmates has written, "Congratulations on creating a website solely for the class of 1961. This is a great way to get in touch with long lost classmates and reacquaint ourselves, catch up with the past 55 years, and relive past memories."

So if you haven't joined as yet, please sign on now to reconnect with old friends through either of the addresses noted above. If you have questions or problems, please be in touch with webmaster Charlie Eichenberg at charlie08343@yahoo.com. Our appreciation, too, goes to Barb Zamadics Martin, who has been a prime mover on this project.

Thanks to our hardworking reunion committee, I look forward to seeing you in Bethlehem as well as online.
