

Bethlehem, PA

Mike Kashner

May 2021

I still live in Bethlehem. I have lived here my entire life and really enjoy it .I love the change of seasons, golfing, attending sporting events at Liberty and watching my grandkids play baseball, basketball and soccer. I have been retired since 1999 after teaching in the Bethlehem School District for 34 years. Spend a lot of time at our other house in Avalon N.J. I am planning to attend the reunion. You can reach me at birds707@aol.com
