Pat Bonser O'Boyle

Palm Bay, Florida

**1. Do you still live in Palm Bay?** Yes.

**2. How long have you lived there?** May 2015

**3. Why did you relocate to Palm Bay?** My husband, Don, passed away Feb. 2014. One year later, my daughter was able to transfer her employment to FIT in Melbourne. She teaches English as a second language thru ELS. We decided to buy a home and live together. It has been a wonderful 5 years. We have so much fun

together. We have been to several islands, Ireland and Iceland. No one I'd rather be with during this pandemic issue.

**4. What do you like about living in Palm Bay and Florida?** Close to beach, many theaters and very close to Orlando attractions. No matter what direction you would wander to there are so many attractions in Florida and new ones popping up all the time. Love the warm weather.

**5. What are some of your favorite things to do where you live?** Fly out of Orlando which is only 1 hr away to visit friends and family and travel. Visit Boyl Farm, Brevard Zoo, go to the beach, attend theaters with really great productions, ride my bike and swimming and watching movies at pool area and playing outside games.

**7. Might you attend the 60th reunion?** I am really looking forward to it.
