Dick Snyder

Lewes, Delaware

1. Do you still live in Lewes? Yes
2. How long have you lived there? 10 years
3. Why did you relocate to Delaware? (job transfer, retirement, closer to children, etc) Moved here after my final retirement to be closer to family
4. What do you like about living in Lewes and Delaware?
The cost of living is much lower here, we are close to the beaches, healthcare facilities are excellent, the climate is more moderate than NJ
5. What are some of your favorite things to do where you live? Pursue my favorite hobby of photography, play golf, socialize with friends, fish on the drive-on beaches
6. How does Lewes differ from Bethlehem? it's flat, more heterogeneous, closer to the beach, smaller (for now), more vibrant (from what I remember)
7. Might you attend the 60th reunion? God willing
