Millersville, PA

June, 2021

Yes, Elaine and I still live in Millersville and we have been here for 20 years. We enjoy the rural setting as well as the small university town atmosphere. Bob enjoys golfing with a number of his retired teacher friends.

We also enjoy spending time with family, taking walks, watching sport events and reading.

We plan to attend the 60th class reunion. Bob's email address is kazoo519@gmail.com
