**Sharon Rhines Neidig**

**Bethlehem, Pennsylvania**

1. Do you still live in Bethlehem? Yes

2. Did you live elsewhere after high school? Yes. Moved to Allentown when I got married and lived there for 33 years. Moved back to Bethlehem in 1994 when we downsized and now live in Hanover Township.

3. What do you like about living in Bethlehem and Pennsylvania? Bethlehem is beautiful and I love downtown Bethlehem. So much history in Bethlehem.

4. What are some of your favorite things to do in Bethlehem? Music Fest, Celtic Fest, Pennsylvania Playhouse. My favorite winery is Blue Ridge Estate Vineyard & Winery in Saylorsburg, Pa. Do to Covid my retired friends and I meet at least once a month at Illicks Mill. We take our folding chairs, wear our masks and sit 6ft apart and talk for hours. Bethlehem has many walking and bike trails. I love to read and Bethlehem has a great

library and bookmobile which during the pandemic you could call and request books and pick them up outside of the library or pick them up at the bookmobile close to you.

6. Might you attend the 60th reunion? Yes, I plan to attend

7. Feel free to add any other information. I have 3 children and I am very fortunate because they are all local. I have 7 grandchildren and 8 great-grandchildren and holidays are so much fun when we all get together. It was hard this year because of the Covid so we all stayed home to be safe. I retired from Fireman's Fund Insurance Co and then worked part-time at Kirkland Village Independent and Assisted Living in Bethlehem for 8 years and I am now totally retired.
