

November 2020  
Ron Rosenbaum  
Arlington, Massachusetts

I've been a resident of Massachusetts for 40 years and lived in Arlington the last 16 years. My wife and I moved to Massachusetts in 1980 because of the medical and educational needs of our children. Like Bethlehem, Arlington is a small, friendly historic town. Located about a half hour from the cosmopolitan cultural center of Boston, it offers a wealth of civic affairs to participate in.
