Bryan, Texas

Diana Horn Kratchman

I still live in Bryan, Texas. Moved here in 1977 and still here after 44 years.

We moved here for my husband's job at Texas A&M University

I love the weather and the people

Favorite things to do include college sporting events, tour George Bush Library and enjoying the weather outside

I also like to try new restaurants in town and attend the theater.

In Bryan there is little winter and no snow to shovel or drive in compared to Bethlehem

I also think Bryan may be smaller than Bethlehem

As soon as I get a current picture I will send it

As to attending the reunion, I am thinking about it. I

have not done much traveling since my husband passed away in July 2019 and then with the corona virus in 2020 I have been staying close to home

Whether I make the reunion or not I'm sure it will be lots of fun.

Have a great spring
